Isn't it great that while I am tracing, cutting & fusing that I can figure out why things are as they are? ha ha

EGGS BENEDICT

with a very easy

Hollandaise sauce for two

In a blender or small food processor add:

2 egg yolks

1-1/2 Tbl. lemon juice

1/2 tsp. salt

Pulse to combine.

Take 1 stick of butter and put it into a small measuring cup & melt it in the microwave.

While your blender or processor is running...pour the butter in. Let run for about a minute...it will thicken as it cools. If it gets too thick add a tsp. of warm water.

Toast an English Muffin, add a poached egg on top of each & spoon on this fabulous sauce. You won't order it in a restaurant again after tasting this!
