

All guys have one or want one...a 'Man Cave' that is! Help him to 'mark his territory' with this newest banner! Put it over the door of the media room, basement, shop, garage, bedroom, bathroom or even over his favorite recliner.

Diane/Queen of Stained Glass Quilts & Jester (isn't he just the cutest?)

We just got back from vending at the Common Threads Quilt Show put on by the Prairie Guild in Wichita KS. What fun! A great group of ladies who really stretch the boundaries when it comes to quilting! And They were oooohhh so nice! Really really hot weather but were glad that the ladies didn't strip down and scare the children! ha ha too funny!

I have a lot on the drawing board right now so watch for exciting projects soon!!

**BE SURE TO CHECK OUT THE ['WELCOME'](#) banner pattern & kit too!
BOTH ARE IN THE "SEW SAY IT" SERIES!!**

DBD49 ['MAN CAVE'](#) pattern \$10
"Sew Say It" series

Banner is 12" x 41" and is really easy to make. Just fuse fabric pieces onto a black fabric background. Stitch down the pieces using those unusual sewing machine stitches you paid for and have yet to use. :)

'MAN CAVE' kit \$29 includes the \$10 pattern and fabrics for the top, tabs, & binding. The fabrics are what you see in the above picture...at least until I run out of the stones fabric (yikes...can't get any more of that) and will have to substitute...so be sure to order right away! Debuted this pattern & kit at the Common Threads Quilt Show and it was a hit!

**We now have a limited number of other kits on our site!
Just trace, cut & fuse for a stained glass look that is so easy to make
you will become absolutely addicted!**

will be shown right below it.**

Do you ever go out to a Chinese restaurant & chow down on the Crab Rangoons? Well, duh, of course we do! What if I told you you can make them at home quickly? I tell ya, a pan of these makes a meal.

I thought that 12 was going to be too much for Lowell and me but we ate the entire pan! These make great snacks too but you might want to make a lot more than 12. :)
Bon Apetit. Oh, that sounds too stuffy....chow down!

CHEATERS CRAB RANGOONS

1 can (6 oz.) white crabmeat, drained & flaked
Substitute with fake crab meat & save the \$\$\$
4 oz. Cream Cheese, softened
1/4 cup sliced green onions/scallions
1/4 cup mayonnaise
1/4 tsp. garlic powder
1 Tblsp. white corn syrup...optional but adds a nice sweetness.

Mix all of the above.

Spray a muffin pan with cooking spray.

Gently place 1 won ton wrapper in each cup...the wrapper will extend above the sides of the pan.

Fill evenly with crabmeat mixture.

Bake 350 degrees for 18 to 20 minutes or until edges are golden brown and filling is heated through. Serve warm.
